

October 1, 2011

Dear Prospective Member,

We appreciate your interest in a 2012 Membership. Please carefully review the information on the attached application and info sheet since there are changes in this year's membership. There will be a slight increase in some membership dues for the 2012 season. The food minimums will remain the same and be in effect for the months of April through September. Please check our website for updated 2012 rates and membership information. The membership application can also be downloaded and mailed in to the office. Go to: www.countryclubofbillerica.com

Since 2007, adult and family golf dues have remained the same. In that time, the golf course and facilities have improved. We look forward to providing you an affordable golfing experience and upgraded facilities.

Feel free to call or email Ed O'Connell, Ext. 41 for clarification or assistance with any further questions. ***Since there are no regularly scheduled office hours during the winter months, please note that the best way to secure a membership is to return your completed application by mail with a check or credit card information.*** Make sure you sign the application; enclose proof of age or proof of full-time college student status (if applicable). We will stop accepting applications **Friday**, February 24, 2012, or when membership reaches 250 (200 Individual/50 Junior), whichever comes first. Please remit payment and completed applications to:
